

TNE – T. Nettikadan Educators

TNE is dedicated in educating children and in helping education professionals by providing the highest quality materials and services.

- ✧ The company, formerly known as Nettikadan Publishers, has changed its name to TNE - T. Nettikadan Educators.
- ✧ We publish Text books, Course books, Hand books, Guide books, etc for elementary levels.
- ✧ We develop, process and analyse Evaluation Tools (question papers) for all students, throughout the academic year.
- ✧ We are engaged in these activities for every age and levels of students from pre-schooling to primary.
- ✧ We are offering high quality programmes in English, Hindi and Malayalam including reading, language arts, mathematics, science, environmental studies, general knowledge etc.
- ✧ We conduct Talent Search Exams – The Super Kid Contests – every year.
- ✧ TNE has more than 55 year of experience in working to help children learn.

OBJECTIVES:

The main goal of CAPE is:

- ❖ To achieve planned and coordinated development of the teacher-education system.
- ❖ To maintain NCERT/NCF norms and standards in the school education system.
- ❖ To maintain quality in education, teachers and in institutions.

The mandate given to CAPE is very broad and covers the whole gamut of teacher education programmes including:

- Research and training of persons for equipping them to handle varied classroom scenarios.
- Conduction of competitive exams, seminars, project workshops, teacher orientation and Parental awareness campaigns.
- To accomplish principal seminars and subject-wise orientation courses for teachers.

Functions of CAPE

CAPE performs functions that are regulatory and also concerned with academic development of teacher education. Its functions are wide-ranging-planning, programming, advising and formulations of NCERT/NCF norms for different teachers in their educational fields. In addition, CAPE is expected to undertake periodic surveys, studies and researches for promotion of innovations in teacher education and for institutional development.

A scheme of work is a preparation of what you will teach during every lesson throughout the academic year. It is a vital and useful document for students, teachers and parents. The prime goal of the scheme of work is to provide teachers with a comprehensive guide to the learning outcomes expected during the course assigned to different standards.

- An **academic term** is a portion of an academic year, the time during which educational institutions hold classes.
- We follow both **term** and **semester** systems which divide the academic year into three terms/semesters which can be as short as eight weeks or as long as sixteen weeks each.
- The CCE (Continuous and Comprehensive Evaluation) and TE (Terminal Evaluation) are conducted by the Examination Board of **CAPE** by providing instructional tools (textbooks) and evaluation tools (question papers) as per the guidelines of the NCF and NCERT.
- Total working days allotted is 190–200.
